Square Bottom Paper Bags With Handle Inline

www.mted.com

I Main Features

- + **Quality Assurance:** Ruizhi Machinery square bottom paper bag machine, committed to international standards, ensures our equipment delivers unparalleled quality and performance, consistently setting the benchmark in the industry.
- + **High Safety Standards:** Ruizhi Machinery square bottom paper bag machine, with a full-cover safety shield and automatic shutdown alarm, ensures safe operation while protecting the product from external interference.
- + **Efficient Production:** Ruizhi Machinery square bottom paper bag machine, with its automated production line, produces 150 square bottom paper bags per minute, significantly reducing labor costs and enhancing productivity.
- + **Modular Design:** Ruizhi Machinery square bottom paper bag machine, with the independent operation and coordination of modules (feeding, forming, and sealing) minimize downtime, streamline production, and ensure fast, efficient paper bag manufacturing.

I Applications

- + Leisure Food Bags
- + Bread Bags
- + Dried Fruit Bags
